### **Nelson Bay Here We Come!!**

Dear Email Giggle Critter,

I would like to take you to Nelson Bay. My family and I go there all the time!!! It is in Australia. I really would like you to come to this beautiful place. There are some delicious foods such as: pavlova which is a desert that is meringue with fruit on top, there is vegemite which is a type of spread that you put on bread, we also have marmalade which is another spread and much more.

Now back to the main point Nelson Bay, our unit is pretty much right in front of the so called Little Beach which is great for just going for some laps up and down the beach because there are hardly any waves!!! But then there is Shoal Bay which is just a little bike ride away!!! Now this beach has BIG waves. But you have heaps and heaps of fun!!!

Now, I will tell you a little story. My Dad taught me how to ride my bike at Nelson Bay the same as my brother and sister!!! It's great for bikes because it has a lot of footpaths that you can ride your bikes on!!! It is also very convenient because there is a corner shop just past the Little Beach!!! I love Nelson Bay and if you're a beach type of person you will love it!!! If you come with me in the New Year you can come for a walk down to ANOTHER beach and you can see some FIREWORKS!!!!!! They are superb!!!!

Love from your soon to be friend E.S. (5D)

### **Come On Holidays With Me!**

Dear Email Gigglecritter,

Come on holidays with me to the Gold Coast. I love the Gold Coast. We can go to Sea World and see all the cool exhibitions like the sting rays, you can touch them and feed them. I think it is cool but I have never done it before. We can go on the Viking ride where you go up a big ramp on a small Viking ship then you go through a castle and suddenly you go down a big ramp really fast and you stop in a big splash.

Then we can go to Movie World and we can go on the road runner coaster. After that we can go on the spoooooooky skooby coaster and we can go on a whole lot more rides. Finally we can go to Wet n' Wild and go on everything! My favourite is the side winder.

Dear Email Gigglecritter,

I would like you to come to Australia and have a good old Aussie time! I would like to take you on holiday to the amazing colourful Great Barrier Reef! You could see reef sharks but luckily they don't eat humans or Gigglecritters. You can also see turtles, coral, dolphins and wonderful fish.

We could stay on a boat and have a Barbie. On the Barbie there would be Kangaroo and for dessert, Pavlova! We would wear thongs on our feet and run back home! You would love to have a holiday with me!

Dear Email Gigglecritter,

Would you like to see what an usual weekend with the K family in Castle Hill, Australia is like? If so, here's an idea for you. Come and spend the weekend with us.

We will have barbeques, go to the park, go to cinemas, play sport, watch movies and meet with family and friends. If it is in summer or it's a hot day we could go swimming in our pool, we could show you around Castle hill or surrounds which you'd find is very exciting and we could even venture into the city of Sydney or visit the Blue Mountains.

I hope you'd see how great the K family's weekend can be.

## **Fun on The Gold Coast!**

Dear Email Gigglecriter,

I am leaving in a few weeks for the Christmas holidays and I would love it if you could come with me and my family. I will be going to the Gold Coast. That is located at the top of Australia. It has the most divine beaches and some of the best experiences you can experience in Australia. We will be going for 2 weeks.

If you decide not to come you will be missing out on a lot of great things. You will miss out on the Aussie barbeques and the snags which is an Aussie slang word for sausages. You will also be missing out on all the superb beaches. For desserts you will miss out on the delicious Aussie Pavlova.

At the gold coast there are five awesome theme parks. They are called: WET 'N' WILD, DREAMWORLD, SEA WORLD, and MOVIE WORLD AND WHITE WATER WORLD. Every time I go to the Gold Coast I go to at least one of these superb theme parks. Some of them are water parks but some of them are just normal parks. SEA WORLD is a normal park but it is also an animal park as well.

I really hope you can come with me to the Gold Coast with me.

From A.F. (5D)

### **An Real Aussie Meal**

Dear Email Gigglecritter,

I would like to invite you to my house for dinner to enjoy an Aussie meal. We could have snags on the BBQ and salad and for dessert, some lamingtons and ice cream!

Anything would be fine with me, as long as you enjoy it. There are many other options too. We could have bacon, eggs, and some freshly grown fruit and vegies out of my veggie garden.

We'll have lots of fun at dinner too! We can tell jokes, play a board game or even watch a movie while we do all those things!

I really hope you can make it because we'll have lots of fun.

From your friend,

E.M. (5D)
