Dear Sweta,

We are delighted with the bookmarks made by your students. They are wonderful! We also thank the videos about your culture and traditions, and about your country.

Our students are already doing the bookmarks, that we will exchange as soon as they are ready.

Many, many thanks and congrats to your students.

Meanwhile, I will send you some videos about the place we live in for you and your students get to know some places in Portugal.

Warm regards,

Professora Bibliotecária Filomena Claudino
